Pikes Peak Suicide Prevention Partnership

provides no cost education around suicide:

- Awareness
- Prevention
- Intervention

This year's motto is "it starts with me." One voice, one person, one action can change the course of someone's journey.

Our goal is to extend our reach in the Colorado Springs community. We can only do this with the support of community members such as yourself.

Your contribution will support PPSPP in offering training programs to the community:

- Support Rooted in Love Trainings
- Mental Health First Aid Trainings
- Group Support Sessions
- Community Outreach Programs
- Individual Counseling

and more...

If someone listens, or stretches out a hand, or whispers a word of encouragement, or attempts to understand a lonely person, extraordinary things begin to happen.

- Loretta Girzartis

Did you know?... Suicide is the second leading cause of death among Colorado Teens
